Unlimited Service Plan Schedule

Your lawn care fertility program is customized for your soil conditions and based on how your grass plants are responding to treatment. We take the liberty to add applications not listed and to omit applications that are waste or detrimental to your lawn.

The WiseGrass Way is an ecological approach with the main goal of significantly reducing or eliminating the use of pesticides. It is a common sense approach to the environment that favors long term impact over instant gratification.

Paul's Guarantee With the Unlimited Service Plan

"I guarantee that you do not have to worry about your lawn and it will be the deepest green possible. If not, we will refund 3 month's payment. You be the judge. A great relationship with you is a big deal to us."

Price Increase

The Unlimited Service Plan rate you sign on with is guaranteed for 12 months. At the end of each year we revisit the rate and if an adjustment needs to be made we let you know. Price increases are rare. The Unlimited Service Plan renews monthly automatically, or at whatever interval you prepay i.e. if you prepay 12 months, you will be re-billed every 12 months at the same rate, unless there is a price increase.

We expect you to

Cut your grass at a minimum of 2.5" high, preferably 3 to 3 1/2".

Water your lawn during the summer when drought hits or, if you choose not to water, understand that your lawn may go dormant.

Remove pet litter or be OK when beautiful "dog spots" show up in you pet's favorite go zone.

Cancellation. You can cancel your Unlimited Service Plan at anytime without penalty. Service simply stops at that point and this pricing ends. Your startup charge will not be refunded.
